Rustig wonen in energiezuinige nieuwbouw met tuin en terras in Bilzen-Hoeselt

Discover this stylish, move-in-ready new-build home, located in a quiet and pleasant area in Bilzen-Hoeselt. The property combines modern living comfort with a practical, open layout. Thanks to the large windows, the home benefits from plenty of natural light, creating a spacious and airy feel. The open-plan living area connects seamlessly to the terrace and garden, where you will also find a practical garden storage shed. This home has been designed with particular attention to sustainability and energy efficiency, including very high-quality insulation. It is also equipped with a smart geothermal heat pump. The property enjoys an excellent location: peacefully situated yet central, just a 10-minute drive from the center of Bilzen and Maastricht.

Upon entering the home, you arrive in the entrance hall, which includes a guest toilet. From here, you enter the bright living area, which has a direct connection to the garden. The open kitchen is equipped with all necessary appliances, such as a combi oven and dishwasher. Adjacent to the kitchen, you will find a practical storage room.

Via the staircase, you reach the night hall on the first floor, which provides access to three bedrooms and a bathroom. The bathroom is fitted with a washbasin, a shower, and a toilet.

In addition, the property offers a spacious storage room, accessible both from the living area and from the side of the house, with direct access to the garden.

The north-facing garden features a cozy terrace and a garden shed. Bordering a line of trees, it offers a natural and peaceful atmosphere, perfect for relaxing and enjoying the evening sun.

The home has been fully designed with sustainability and energy efficiency in mind. It is equipped with a heat pump and smart technology, ensuring optimal living comfort and low energy costs.
