Investeren in een energiezuinig nieuwbouwappartement in het hart van Zonhoven

Residence Tortuga is a small-scale and elegant new-build development in the heart of Zonhoven, comprising 10 high-quality apartments. The refined architecture blends classical charm with contemporary luxury, creating a timeless living experience for those who value comfort, style and quality. Its location is a key asset: within walking distance of shops, schools and public transport, with easy connections to Hasselt, Genk and the E314 motorway. In addition, Zonhoven offers close proximity to expansive natural areas, ensuring an ideal balance between tranquillity and accessibility. The apartments range in size from 80 m² to 134 m², each featuring a spacious terrace between 10 m² and 32 m². Residents also benefit from a landscaped communal garden — a serene green oasis that enhances both living quality and relaxation. Thanks to the varied offering, every buyer will find a home that perfectly matches their residential preferences. The project is fully focused on future-proof living. Heat pumps, a well-designed ventilation system, high-performance insulation and double glazing ensure a comfortable indoor climate and low energy costs. Solar panels can be installed optionally. The apartments achieve an energy performance level of E30. Each apartment has been designed with particular attention to space, natural light and functionality, resulting in refined and worry-free living. Sustainability and residential comfort form the guiding principles throughout the entire development. Residence Tortuga offers a unique opportunity to live centrally in a pleasant, green environment, with all the advantages of a contemporary new-build apartment. LAYOUT

This ground-floor apartment features a clear and functional layout with a distinct separation between the living and sleeping areas. It also benefits from a private entrance, enhancing both privacy and its residential character. Through the entrance hall with guest toilet, you access the spacious living area with open-plan kitchen and adjoining storage

room. The living room opens directly onto the terrace, creating a pleasant interaction between indoor and outdoor spaces. The night hall leads to two full-sized bedrooms and a centrally located bathroom.

FINISHING

The finishes can be fully tailored to your own taste and style. This offers the opportunity to personalise the apartment according to your aesthetic and quality preferences, with free choice of materials, kitchen and bathroom fittings, and flooring, in accordance with the specifications.
