Residentie The Bridge

Waterfront living within 5 minutes of Maastricht!

Residence The Bridge is a prestigious new construction project located on the banks of the Zuid-Willemsvaart, with the Maas as a vista.

The 22 luxury apartments comprise either 2 or 3 bedrooms. The architecture is well thought out, energy efficient, timeless and above all very beautiful. Large glass areas provide a maximum of light and unique views. Each apartment has a balcony of at least 10m². Underground parking, a bicycle shed and private cellar storage are provided. The residential units are sold completely finished, in consultation and according to the individual wishes of the buyers.

The Bridge is ideal as a comfortable place to live but also as an investment! All stores are within walking distance, and Lanaken and Maastricht town centre are only 5 minutes away.
